- Short welcome message or tagline

2. About Me

- Personal background
- Education & skills
- Career goals

3. Projects

- Showcase of major projects
- Each project includes:
 - Title & image
 - Description
 - Tools used
 - Link or demo (if available)

FEATURES AND FUNCTIONALITY

1. User-Friendly Interface

- Simple, clean layout
- Easy navigation menu

2. Responsive Design

- Works well on desktop, tablet, and mobile devices

3. About Section

- Personal introduction with photo, bio, and background

RESULT AND SCREENSHOT

Results:*

1. *Fully Functional Portfolio Website*

- All sections (Home, About, Skills, Projects, Contact) working.
- Responsive layout on mobile and desktop.

2. *Live Demo or Hosting*

- Portfolio deployed on GitHub Pages, Netlify, or similar.

Screenshots (Suggested):

1. *Home Page Screenshot*

- Shows intro, navigation bar, and layout.

2. *About Me Section*

- Includes photo, bio, and basic info.

CONCLUSION

The digital portfolio project successfully showcases personal and professional information in an organized, visually appealing format. It includes key sections such as About Me, Skills, Projects, and Contact, providing a complete profile for academic or career use. With responsive design and user-friendly navigation, the portfolio can be accessed across devices. Hosting on platforms like GitHub Pages or Netlify ensures easy sharing and accessibility. Overall, it serves as a powerful tool for self-presentation and future opportunities.
